- Awarded 'Innovator of the Year' in 2022 for contributions to EdTech.
- Successfully launched a digital resource platform used by 100+ schools.

Michael Anderson

INSTRUCTIONAL DESIGNER

I am an innovative Curriculum and Assessment Advisor with a focus on technology integration in education, bringing over 6 years of experience in the EdTech industry. My work revolves around creating interactive learning experiences that leverage digital tools to enhance student engagement. I have a strong background in instructional design, which allows me to develop curricula that are not only aligned with educational standards but also incorporate the latest technologies.

EXPERIENCE

INSTRUCTIONAL DESIGNER

TechForward Education

2016 - Present

- Developed interactive e-learning modules for K-12 and higher education.
- Conducted assessments to evaluate the effectiveness of technology integration.
- Collaborated with educators to create blended learning experiences.
- Utilized user feedback to continuously improve digital learning tools.
- Presented workshops on best practices for using technology in teaching.
- Analyzed data to assess student engagement and learning outcomes.

CURRICULUM CONSULTANT

Digital Learning Solutions

2014 - 2016

- Assisted schools in integrating technology into their curricula.
- Developed assessment rubrics for technology-enhanced learning activities.
- Facilitated training sessions for teachers on digital tools and resources.
- Evaluated the impact of technology on student learning outcomes.
- Collaborated with product teams to enhance educational software.
- Prepared reports on technology use and its effectiveness in classrooms.
