

MICHAEL ANDERSON

Special Education Curriculum Specialist

As a Curriculum and Assessment Advisor with a focus on special education, I bring over 9 years of experience working with diverse learner populations. My expertise lies in developing and implementing individualized curriculum and assessment strategies that support students with varying needs. I have a deep understanding of educational policies and best practices related to special education, and I work diligently to promote inclusive learning environments.

WORK EXPERIENCE

Special Education Curriculum Specialist

2020-2023

Inclusive Learning Academy

- Developed individualized education programs (IEPs) for students with disabilities.
- Conducted assessments to evaluate student progress and adapt instructional strategies.
- Collaborated with multidisciplinary teams to create inclusive curricula.
- Facilitated training for teachers on special education laws and best practices.
- Monitored and reported on student outcomes to inform program adjustments.
- Engaged families in the development of educational plans for their children.

Assessment Coordinator for Special Needs

2019-2020

Diverse Learners Institute

- Designed assessment tools to measure the effectiveness of special education programs.
- Analyzed assessment data to provide insights into student performance.
- Worked with teachers to develop accommodations and modifications for assessments.
- Presented findings to stakeholders to advocate for program enhancements.
- Trained staff on the use of assessment data to inform instruction.
- Established partnerships with community organizations for additional support.

ACHIEVEMENTS

- Increased student achievement in special education programs by 35%.
- Received the 'Champion for Inclusion' award in 2023.
- Implemented a new curriculum model adopted by 20+ schools statewide.
