EDUCATION

PH.D. IN EDUCATIONAL PSYCHOLOGY,
UNIVERSITY OF MICHIGAN

ACHIEVEMENTS

- Authored a white paper on assessment practices that was adopted statewide.
- Recognized for leading a curriculum initiative that resulted in a significant decrease in achievement gaps.
- Presented at national conferences on innovative assessment strategies for diverse learners.

PROFILE

Dedicated Curriculum and Assessment Consultant with a rich background in educational reform and a focus on high-stakes testing environments. With over 15 years of experience, I have developed a strong expertise in creating comprehensive assessment systems that not only measure student learning but also drive instructional improvements. My approach centers on collaboration with educators and administrators to design assessments that align with learning objectives and state standards.

EXPERIENCE

ASSESSMENT CONSULTANT

State Department of Education

2016 - Present

- Developed statewide assessment strategies that improved test reliability by 20%.
- Analyzed assessment data to provide actionable insights to school districts, leading to targeted professional development.
- Facilitated training sessions for over 200 educators on effective assessment practices.
- Collaborated with curriculum teams to ensure alignment between assessments and learning standards.
- Designed performance-based assessments for high school students in STEM subjects.
- Led a project to revise testing protocols, which reduced testing time by 15% without compromising validity.

CURRICULUM COORDINATOR

Urban School District

2014 - 2016

- Oversaw curriculum development that led to a 30% rise in student engagement in core subjects.
- Implemented a new assessment framework that provided real-time feedback to teachers.
- Collaborated with community stakeholders to create culturally relevant curriculum resources.
- Trained district staff on the use of assessment data to drive instructional decisions.
- Facilitated focus groups with parents to gather input on curriculum and assessment practices.
- Secured a \$75,000 grant for innovative assessment technology integration.
