MICHAEL ANDERSON

E-LEARNING CONSULTANT

Innovative Curriculum and Assessment Consultant with a background in technology integration and e-learning. With more than 12 years of experience in the educational technology sector, I specialize in developing curriculum and assessment solutions that leverage digital tools to enhance learning outcomes. My career has been defined by my ability to create engaging and interactive learning experiences that resonate with today's digital-native students.

PROFESSIONAL EXPERIENCE

TechEd Innovations

Mar 2018 - Present

E-Learning Consultant

- Designed and implemented online curriculum modules that increased student engagement by 40%.
- Developed assessment tools within LMS platforms to streamline grading and feedback processes.
- Conducted training for over 150 educators on effective digital assessment strategies.
- Collaborated with instructional designers to create interactive learning materials.
- Analyzed student performance data to inform curriculum adjustments and enhance learning outcomes.
- Led a team to pilot a new online assessment system that reduced administrative time by 20%.

Virtual Learning Academy

Dec 2015 - Jan 2018

Curriculum Specialist

- Developed and evaluated online curriculum for high school courses, improving course completion rates by 35%.
- Created interactive assessments that provided immediate feedback to students.
- Collaborated with educators to integrate multimedia resources into curriculum design.
- Facilitated workshops on using technology to enhance learning and assessment.
- Engaged in research on best practices for online assessments and their impact on student learning.
- Managed a project to transition paper-based assessments to digital formats, resulting in cost savings.

ACHIEVEMENTS

- Received the 'Innovative Educator Award' for excellence in technology integration in curriculum.
- Increased student test scores by 20% through the implementation of online assessments.
- Published articles on technology-enhanced learning in several educational journals.
