Strategic Curriculum and Assessment Consultant with 9 years of experience in international education and cross-cultural curriculum development. My career has taken me across multiple countries, where I have worked with diverse educational systems to create curriculum and assessment practices that respect and reflect cultural differences. I specialize in developing bilingual and multicultural curricula that cater to the needs of international learners.

WORK EXPERIENCE

International Curriculum Consultant | Global Education Solutions

Jan 2022 – Present

- Developed bilingual curriculum for international schools that improved student comprehension by 25%.
- Collaborated with educators in over 10 countries to create culturally relevant assessment tools.
- Conducted training sessions on culturally responsive teaching practices for over 300 educators.
- Designed assessments that reflect diverse cultural perspectives and learning styles.
- Facilitated workshops on integrating global issues into classroom curriculum.
- Secured funding for international educational initiatives promoting cross-cultural understanding.

Curriculum Developer | Multicultural Education Center

Jul 2019 – Dec 2021

- Created curriculum that reflects the cultural diversity of students in international settings.
- Implemented assessment strategies that address the needs of multilingual learners.
- Collaborated with local organizations to enhance educational resources for international students.
- Conducted evaluations of curriculum effectiveness in diverse learning environments.
- Led workshops on fostering cultural awareness in education.
- Presented findings on best practices for international curriculum development at global conferences.
