### WORK EXPERIENCE

#### Special Education Curriculum Developer

2020-2023

Inclusive Learning Academy

- Developed individualized curricula that addressed the unique needs of students with disabilities, resulting in improved student engagement.
- Collaborated with teachers to implement differentiated assessment strategies, enhancing inclusivity in classrooms.
- Facilitated training sessions on best practices for special education assessment.
- Worked with families to create personalized learning goals that support student success.
- Analyzed data to refine instructional strategies, improving student performance by 20%.
- Established partnerships with community organizations to enhance resources for students with special needs.

#### Assessment Coordinator

2019-2020

Diverse Learners Center

- Designed assessments that accurately measure progress for students with varying abilities.
- Trained staff on inclusive assessment practices, leading to a more equitable learning environment.
- Collaborated with special education teams to align assessment strategies with individualized education plans (IEPs).
- Engaged with parents to gather feedback on assessment processes, improving stakeholder satisfaction.
- Conducted data analysis to inform curriculum adjustments, resulting in improved learning outcomes.
- Managed assessment tools to ensure compliance with educational standards.

### ACHIEVEMENTS

- Recipient of the Special Education Advocate Award in 2021 for advocacy efforts in inclusive education.
- Successfully launched a mentorship program for students with disabilities, improving their engagement by 30%.
- Published articles on inclusive practices in education journals.
