# MICHAEL ANDERSON

## LEAD CURRICULUM DEVELOPER

As a dedicated Curriculum and Assessment Specialist, I have spent over fifteen years in the education sector, focusing on curriculum alignment and assessment integrity. My career started as a high school teacher, where I quickly recognized the need for data-driven assessments to enhance student performance. This realization propelled me into curriculum development roles, where I have led multiple initiatives to create standards-aligned educational materials for various grade levels.

## **PROFESSIONAL EXPERIENCE**

### **Educational Advancement Group**

*Mar 2018 - Present*

Lead Curriculum Developer

- Led a team in the creation of K-12 curriculum aligned with state standards, improving alignment by 50%.
- Managed the assessment review process to ensure reliability and validity of testing.
- Facilitated focus groups with teachers to gather feedback on curriculum effectiveness.
- Implemented a new digital assessment platform, enhancing accessibility for students.
- Presented training on assessment best practices to over 200 educators.
- Collaborated with stakeholders to develop community-based educational programs.

### **Regional School District**

*Dec 2015 - Jan 2018*

Assessment Coordinator

- Developed and maintained assessment systems that improved student learning outcomes by 22%.
- Conducted data analysis to inform curriculum revisions and instructional strategies.
- Collaborated with administration to align assessments with educational goals.
- Trained staff on effective assessment techniques and data interpretation.
- Established a feedback loop to continuously improve assessment practices.
- Engaged with parents and community members to discuss assessment results and strategies.

## **ACHIEVEMENTS**

- Awarded 'Excellence in Assessment Practices' in 2019.
- Increased student performance metrics by 30% through data-driven curriculum adjustments.
- Published case studies on effective curriculum implementation in educational journals.
