Michael Anderson

CURRICULUM AND ASSESSMENT LEAD

As a Curriculum and Assessment Specialist with over a decade of experience, I have a strong foundation in curriculum development, instructional design, and assessment strategies that drive student success. My career commenced as a special education teacher, where I developed a passion for inclusive education and differentiated instruction. I have since transitioned into roles that allow me to impact curriculum and assessment practices on a broader scale.

EXPERIENCE

CURRICULUM AND ASSESSMENT LEAD

Inclusive Education Solutions

2016 - Present

- Developed inclusive curriculum frameworks that improved student performance by 30%.
- Collaborated with teachers to create assessments that accommodate diverse learning needs.
- Facilitated professional development on inclusive assessment practices.
- Utilized student data to refine instructional materials and strategies.
- Engaged with parents and community members to promote inclusive education.
- Presented findings on inclusive practices at educational conferences.

SPECIAL EDUCATION CONSULTANT

National Association for Special Education

2014 - 2016

- Advised schools on implementing inclusive curriculum and assessment strategies.
- Conducted workshops for educators on supporting students with disabilities.
- Analyzed assessment data to promote equitable learning opportunities.
- Collaborated with stakeholders to develop resources for inclusive education.
- Facilitated discussions on best practices for differentiated instruction.
- Presented at state conferences on the importance of equity in education.
