EDUCATION

BACHELOR OF SCIENCE IN EARLY CHILDHOOD EDUCATION, UNIVERSITY OF CHILDHOOD DEVELOPMENT

ACHIEVEMENTS

- Increased parent engagement in educational activities by 50% through community outreach efforts.
- Developed a curriculum that received recognition from the National Association for the Education of Young Children.
- Successfully implemented a grant-funded program that supported literacy initiatives in the community.

Enthusiastic Curriculum Consultant with a robust background in early childhood education and over 5 years of experience in curriculum development. My focus is on creating engaging and developmentally appropriate learning experiences for young children. I have collaborated with preschool and kindergarten educators to design curricula that foster social, emotional, and cognitive growth.
