Michael Anderson

CURRICULUM COORDINATOR

Passionate Curriculum Developer with over 9 years of experience in higher education. I specialize in creating curricula that promote critical thinking and practical skills in students. My experience includes developing online and face-to-face courses in various disciplines, ensuring that learning objectives are met effectively. I am adept at collaborating with faculty to align course content with institutional goals and accreditation standards.

EXPERIENCE

CURRICULUM COORDINATOR

State University

2016 - Present

- Developed and implemented a new general education curriculum that improved student retention rates by 15%.
- Collaborated with faculty to revise course syllabi ensuring alignment with accreditation standards.
- Facilitated faculty training sessions on best practices in curriculum design and assessment.
- Utilized student feedback to continuously improve course materials and teaching strategies.
- Monitored and assessed the effectiveness of new curricula through data analysis and reporting.
- Organized curriculum review committees to promote collaborative decision-making processes.

INSTRUCTIONAL DESIGNER

Online Learning Institute

2014 - 2016

- Created interactive online courses that engaged over 2,000 students with a completion rate of 90%.
- Worked with subject matter experts to design assessments that accurately measured learning outcomes.
- Facilitated workshops for faculty on integrating technology into course design.
- Evaluated online courses for quality assurance and continuous improvement.
- Developed multimedia resources to enhance learning experiences for students.
- Collaborated with IT to troubleshoot technical issues and ensure smooth course operation.
