### ACHIEVEMENTS

- Achieved a 25% reduction in compliance issues over two audit cycles.
- Recipient of the Compliance Excellence Award for outstanding performance in regulatory audits.
- Developed a risk management framework that was adopted organization-wide.

### PROFILE

Results-driven Cybersecurity Auditor with over 10 years of experience in the finance sector, specializing in regulatory compliance and risk assessment. My expertise lies in performing detailed audits to ensure organizations meet financial regulatory requirements, such as PCI DSS and SOX. I possess a strong analytical mindset, allowing me to identify irregularities and recommend actionable solutions to enhance security measures.

### EXPERIENCE

#### LEAD CYBERSECURITY AUDITOR

##### FinSecure Corp.

2016 - Present

- Led comprehensive audits of IT systems to ensure compliance with PCI DSS and SOX regulations.
- Developed risk assessment reports that identified key vulnerabilities in financial applications.
- Collaborated with IT and compliance teams to implement remediation strategies for identified issues.
- Conducted training sessions for finance teams on cybersecurity best practices.
- Reviewed and updated security policies to reflect changes in regulatory requirements.
- Engaged with external auditors to facilitate seamless audit processes and mitigate findings.

#### CYBERSECURITY COMPLIANCE SPECIALIST

##### BankSecure

2014 - 2016

- Monitored compliance with financial regulations and security policies across the organization.
- Conducted risk assessments and vulnerability scans to identify potential security gaps.
- Assisted in the development of incident response plans and business continuity strategies.
- Participated in regular audits, providing detailed reports on compliance status.
- Collaborated with various departments to ensure security policies were understood and followed.
- Developed metrics to measure the effectiveness of security controls and compliance efforts.
