Michael Anderson

INFORMATION SECURITY ENGINEER

Dedicated Cybersecurity Engineer with over 6 years of experience in information security and risk management across various sectors, including government and private enterprises. My career began as a network administrator, where I discovered my passion for cybersecurity. I have since transitioned into a role focused on safeguarding digital assets and ensuring compliance with regulations.

EXPERIENCE

INFORMATION SECURITY ENGINEER

GovSecure Agency

2016 - Present

- Developed and implemented security policies for sensitive government data protection.
- Conducted vulnerability assessments to identify weaknesses in systems.
