EDUCATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY, TECH UNIVERSITY, 2016

ACHIEVEMENTS

- Successfully increased course completion rates by 30% through innovative training techniques.
- Played a key role in launching a new cybersecurity boot camp model.
- Received 'Outstanding Trainer' award at TechGuard Academy in 2020.

PROFILE

Innovative Cybersecurity Trainer with 5 years of hands-on experience in the tech industry, specializing in creating engaging and practical training programs for aspiring cybersecurity professionals. I have a strong background in ethical hacking and system security, which allows me to provide students with a comprehensive understanding of the threats facing today's organizations.

EXPERIENCE

CYBERSECURITY TRAINER

TechGuard Academy

2016 - Present

- Developed a hands-on training program focused on ethical hacking techniques.
- Delivered over 30 training sessions with an average feedback score of 4.8/5.
- Implemented gamified learning modules to enhance student engagement.
- Created a mentorship program linking experienced professionals with trainees.
- Utilized tools like Kali Linux and Burp Suite in practical demonstrations.
- Evaluated students' progress through practical exams and real-world scenarios.

JUNIOR SECURITY CONSULTANT

ByteSecure

2014 - 2016

- Assisted in conducting security audits for clients, identifying critical vulnerabilities.
- Participated in incident response teams during security breaches.
- Created and maintained security documentation for compliance purposes.
- Educated clients on security best practices and policies.
- Supported the implementation of security technologies and solutions.
- Maintained awareness of the latest cybersecurity trends and threats.
