MICHAEL ANDERSON

CYBERSECURITY TRAINER

Dedicated Cybersecurity Trainer with over 10 years of experience in the education sector and a strong focus on developing training programs for corporate environments. My career began in IT support, where I gained firsthand experience with security issues and solutions. Transitioning into training allowed me to combine my technical expertise with my passion for teaching.

PROFESSIONAL EXPERIENCE

EduSecure
Mar 2018 - Present

Cybersecurity Trainer

- Designed and delivered security awareness training programs for corporate clients.
- Conducted over 100 workshops with a 90% completion rate.
- Utilized a blend of online and in-person training methods to reach diverse audiences.
- Developed tailored content focusing on client-specific security challenges.
- Implemented feedback mechanisms to continuously improve training effectiveness.
- Collaborated with IT teams to align training with organizational security policies.

Tech Solutions Inc.
Dec 2015 - Jan 2018

IT Support Specialist

- Provided technical support for security software and systems.
- Assisted in the development of security protocols for the organization.
- Conducted training for staff on security best practices.
- Maintained security logs and documentation for compliance audits.
- Participated in the implementation of new security technologies.
- Monitored systems for security breaches and vulnerabilities.

ACHIEVEMENTS

- Improved participant retention rates by 25% through innovative training strategies.
- Recognized for developing a comprehensive training guide for non-technical staff.
- Achieved a 100% satisfaction rate in client feedback for training sessions.
