- Incident response
- Vulnerability assessment
- Customer data protection
- E-learning

🗛 LANGUAGES

- English
- Spanish
- French

Proactive Cybersecurity Trainer with 4 years of experience in the retail industry, specializing in developing security training programs that protect sensitive customer data. My career path began as a cybersecurity analyst, where I gained a deep understanding of potential vulnerabilities in retail systems.

💼 WORK EXPERIENCE

Cybersecurity Trainer   2020-2023

RetailGuard Academy

- Developed training programs focusing on retail cybersecurity best practices.
- Conducted over 25 workshops with an average participant rating of 4.7/5.
- Utilized real-world scenarios to enhance the relevancy of training content.
- Created engaging training materials, including e-learning modules.
- Collaborated with corporate security teams to align training with company policies.
- Evaluated the effectiveness of training programs through participant feedback.

Cybersecurity Analyst   2019-2020

ShopSecure Inc.

- Monitored and analyzed security alerts from retail systems.
- Conducted vulnerability assessments and reported on findings.
- Engaged in incident response efforts during security breaches.
- Trained staff on security protocols and best practices.
- Prepared security documentation for compliance audits.
- Worked with IT teams to implement security improvements.

★ ACHIEVEMENTS

- Successfully increased training engagement by 50% through interactive learning techniques.
- Recognized for developing a comprehensive training program adopted by 12 retail locations.
- Achieved a 95% satisfaction rate in participant feedback for workshops.
