MICHAEL ANDERSON

DAIRY EXTENSION SPECIALIST

Dynamic and results-driven Dairy Extension Specialist with over 12 years of experience in agricultural extension and dairy management. Expertise in translating research into practical applications for dairy producers, enhancing both productivity and profitability. Strong background in developing educational materials and programs that address the unique challenges faced by farmers in the dairy sector.

PROFESSIONAL EXPERIENCE

University Cooperative Extension

Mar 2018 - Present

Dairy Extension Specialist

- Designed and implemented educational programs targeting dairy farmers.
- Conducted on-farm assessments to identify areas for improvement.
- Facilitated workshops on herd health and nutrition management.
- Created informational resources on sustainable dairy practices.
- Collaborated with industry experts to deliver cutting-edge research.
- Organized community events to promote dairy education and outreach.

AgriConsulting LLC

Dec 2015 - Jan 2018

Agricultural Consultant

- Provided consulting services for dairy operations to enhance productivity.
- Developed customized management plans based on farm assessments.
- Advised clients on compliance with agricultural regulations.
- Trained farm staff on best practices and operational efficiency.
- Utilized data analytics to monitor and improve dairy performance.
- Promoted innovative technologies to streamline dairy operations.

ACHIEVEMENTS

- Increased farmer participation in educational programs by 40%.
- Recognized for excellence in community outreach by local agricultural organizations.
- Contributed to a research project that improved dairy herd health outcomes.
