# MICHAEL ANDERSON

## ORGANIC DAIRY HERD MANAGER

Dedicated Dairy Herd Manager with a focus on organic dairy farming and sustainable practices, possessing over 8 years of experience in the industry. Expertise in managing herd health, optimizing production processes, and implementing environmentally friendly practices that enhance both animal welfare and farm profitability. A strong advocate for organic certification and consumer education regarding sustainable dairy products.

## **PROFESSIONAL EXPERIENCE**

### **Pure Pastures Dairy**

*Mar 2018 - Present*

Organic Dairy Herd Manager

- Managed a herd of 500 organic cows, ensuring compliance with organic standards.
- Developed and implemented organic feeding regimens to enhance milk quality.
- Trained staff on organic practices and animal welfare standards.
- Utilized data analytics to monitor herd health and productivity.
- Established partnerships with local markets for organic product distribution.
- Conducted farm tours and educational sessions for consumers and stakeholders.

### **Green Fields Organic Dairy**

*Dec 2015 - Jan 2018*

Dairy Farm Assistant

- Assisted in daily operations of a 300-cow organic dairy farm.
- Participated in the implementation of organic farming practices.
- Maintained accurate records of milk production and herd health.
- Worked with veterinarians to ensure optimal animal health.
- Supported feeding and milking operations under supervision.
- Engaged in ongoing training on organic standards and practices.

## **ACHIEVEMENTS**

- Achieved organic certification for the dairy farm within two years.
- Increased milk quality ratings by 20% through improved feeding practices.
- Expanded market reach, resulting in a 30% increase in sales of organic dairy products.
