

# MICHAEL ANDERSON

## LOGISTICS MANAGER

### PROFILE

Dedicated Dairy Logistics Specialist with a robust background in managing logistics operations in the dairy sector. Over 8 years of experience in coordinating supply chain activities, focusing on maximizing efficiency and minimizing costs. Expertise in utilizing logistics software and tools to enhance operational workflows and ensure seamless product distribution. Skilled in negotiating contracts with suppliers and carriers, resulting in favorable terms and improved service levels.

### EXPERIENCE

#### LOGISTICS MANAGER

##### Pure Dairy Logistics

2016 - Present

- Directed logistics operations for dairy product distribution, ensuring timely delivery to retail partners.
- Implemented cost-saving measures that resulted in a 15% decrease in transportation expenses.
- Managed a team of logistics coordinators, providing training and support to enhance performance.
- Utilized ERP systems for inventory management, achieving improved stock accuracy.
- Negotiated contracts with carriers, securing competitive rates and reliable service.
- Developed and maintained relationships with key stakeholders to enhance supply chain collaboration.

#### SUPPLY CHAIN ANALYST

##### Dairy Supply Chain Solutions

2014 - 2016

- Conducted analysis of supply chain processes to identify inefficiencies and recommend improvements.
- Assisted in the development of logistics strategies to enhance product flow and reduce lead times.
- Collaborated with procurement teams to ensure alignment of logistics and supply chain objectives.
- Monitored key performance indicators to assess logistics performance and implement corrective actions.
- Provided insights on market trends to inform logistics planning and decision-making.
- Supported the implementation of new logistics technologies to enhance operational capabilities.
