SKILLS

- Process Improvement
- Project Management
- Sustainability
- Regulatory Compliance
- Data Analysis
- Team Collaboration

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF SCIENCE IN
AGRICULTURAL ENGINEERING, IOWA
STATE UNIVERSITY, 2015**

ACHIEVEMENTS

- Achieved a 25% reduction in production waste through process optimization.
- Recognized for contributions to a successful new product launch.
- Implemented an employee training program that improved safety compliance by 30%.

WORK EXPERIENCE

DAIRY PROCESS ENGINEER

Sustainable Dairy Solutions

2020 - 2025

- Implemented process improvements that enhanced operational efficiency by 20%.
- Conducted feasibility studies for new product lines, assessing market viability.
- Collaborated with production teams to optimize workflows and reduce downtime.
- Developed training materials to educate staff on new processes.
- Monitored environmental compliance and implemented sustainability initiatives.
- Facilitated safety audits to ensure adherence to industry standards.

JUNIOR DAIRY ENGINEER

Farm Fresh Dairy

2015 - 2020

- Assisted in the design of dairy processing equipment and layouts.
- Performed routine inspections and maintenance on production machinery.
- Supported project management in equipment upgrades and installations.
- Analyzed production data to identify areas for improvement.
- Participated in cross-training initiatives to enhance team capabilities.
- Developed documentation for compliance and operational procedures.
