MICHAEL ANDERSON

DAIRY PRODUCT RESEARCHER

A dynamic Dairy Product Development Specialist with 7 years of experience in the dairy sector, specializing in research and development of innovative dairy solutions. Proficient in leveraging consumer insights and technological advancements to create products that align with market trends. Strong background in sensory evaluation and quality assurance, ensuring product consistency and safety.

PROFESSIONAL EXPERIENCE

Healthy Dairy Co.

Mar 2018 - Present

Dairy Product Researcher

- Conducted extensive research on consumer preferences for dairy snacks, leading to the development of a new product line.
- Utilized laboratory techniques for product testing and quality assurance.
- Collaborated with marketing teams to create effective promotional strategies for new products.
- Analyzed competitor products to identify gaps in the market.
- Developed detailed reports on product performance and consumer feedback.
- Participated in trade shows to showcase innovative dairy products.

Fresh Dairy Solutions

Dec 2015 - Jan 2018

Junior Product Developer

- Assisted in the development of flavored milk beverages, enhancing product appeal.
- Conducted sensory evaluations to gather consumer feedback on product variations.
- Supported the formulation of dairy-based desserts, ensuring quality and taste.
- Collaborated with suppliers to source unique ingredients for product experimentation.
- Maintained accurate records of product development processes and results.
- Engaged in continuous learning about dairy trends and innovations.

ACHIEVEMENTS

- Contributed to the successful launch of a new yogurt line that exceeded sales projections by 20%.
- Received 'Rising Star' recognition in 2021 for contributions to product innovation.
- Improved product shelf-life through formulation adjustments, enhancing market competitiveness.
