# MICHAEL ANDERSON

## LEAD DAIRY PRODUCTION PLANNER

Results-oriented Dairy Production Planner with a strong background in operational management and production optimization. Over 12 years of experience in the dairy sector, focusing on enhancing production workflows and reducing operational costs. Expertise in utilizing statistical methods and software tools to provide accurate demand forecasts and manage inventory levels. Proven track record of implementing process improvements that lead to increased productivity and product quality.

## **PROFESSIONAL EXPERIENCE**

### **Elite Dairy Farms**

*Mar 2018 - Present*

Lead Dairy Production Planner

- Managed end-to-end production planning for dairy operations.
- Developed and executed production schedules based on market analysis.
- Reduced production costs through strategic resource allocation.
- Implemented lean manufacturing principles to improve efficiency.
- Coordinated with quality assurance to maintain product standards.
- Conducted training sessions for staff on production planning tools.

### **Green Valley Dairy**

*Dec 2015 - Jan 2018*

Dairy Operations Planner

- Assisted in the development of production plans to meet customer demand.
- Utilized inventory management software to track stock levels.
- Collaborated with sales and marketing to align production with promotions.
- Analyzed production data to identify areas for improvement.
- Facilitated communication between production and logistics teams.
- Maintained documentation for compliance and reporting purposes.

## **ACHIEVEMENTS**

- Increased production output by 30% within one year.
- Led a project that reduced waste by 15% through process optimization.
- Awarded Best Planner of the Year in 2021 for outstanding contributions.
