MICHAEL ANDERSON

DAIRY NUTRITION CONSULTANT

An experienced Dairy Science Analyst recognized for expertise in dairy nutrition and herd management, with over 12 years in the agricultural sector. Proficient in analyzing nutritional data to enhance dairy herd productivity and health outcomes. Demonstrates a strong commitment to sustainable farming practices and animal welfare, integrating these principles into operational strategies.

PROFESSIONAL EXPERIENCE

AgriTech Solutions

Mar 2018 - Present

Dairy Nutrition Consultant

- Evaluated dairy herd nutrition programs to enhance milk yield and quality.
- Developed customized feeding strategies based on individual herd needs.
- Conducted on-farm assessments to identify areas for improvement.
- Provided training to farm staff on best practices for nutrition management.
- Collaborated with veterinarians to address health issues related to nutrition.
- Presented findings at agricultural conferences, sharing insights on dairy nutrition.

Sunnyvale Dairy Farms

Dec 2015 - Jan 2018

Dairy Farm Manager

- Managed day-to-day operations of a 500-cow dairy farm.
- Implemented strategies to optimize herd health and productivity.
- Monitored milk production metrics, adjusting practices as needed.
- Led a team of 15 staff, ensuring compliance with safety regulations.
- Developed budgets and managed farm finances effectively.
- Engaged with local agricultural organizations to promote sustainable practices.

ACHIEVEMENTS

- Increased milk production by 30% through improved feeding strategies.
- Awarded Best Farm Manager by the Local Agricultural Board.
- Implemented sustainability initiatives that reduced waste by 25%.
