# MICHAEL ANDERSON

## SUPPLY CHAIN MANAGER

A detail-oriented Dairy Supply Chain Specialist with over 15 years of experience in supply chain management within the dairy sector. Expertise in operational excellence, quality assurance, and regulatory compliance. Proven ability to manage end-to-end supply chain processes, ensuring optimal product flow and minimal disruption. Strong analytical skills complemented by a deep understanding of dairy industry standards and practices.

## **PROFESSIONAL EXPERIENCE**

### **Global Dairy Solutions**

*Mar 2018 - Present*

Supply Chain Manager

- Managed the end-to-end supply chain operations for dairy products.
- Developed and implemented strategies for quality assurance and compliance.
- Monitored supply chain KPIs to drive performance improvements.
- Led teams in the execution of supply chain initiatives.
- Engaged with suppliers to negotiate contracts and ensure quality standards.
- Utilized supply chain software for tracking and reporting.

### **Dairy Quality Assurance**

*Dec 2015 - Jan 2018*

Quality Control Specialist

- Conducted quality audits of dairy products and processes.
- Developed quality control protocols to ensure compliance with regulations.
- Collaborated with production teams to resolve quality issues.
- Managed documentation for quality assurance processes.
- Trained staff on quality standards and procedures.
- Assisted in the implementation of continuous improvement initiatives.

## **ACHIEVEMENTS**

- Achieved a 30% reduction in product defects through quality initiatives.
- Recognized for leadership in implementing ISO standards in supply chain processes.
- Enhanced supplier quality ratings by 20% through strategic partnerships.
