# MICHAEL ANDERSON

## SENIOR PRODUCT DEVELOPMENT SCIENTIST

A results-oriented Dairy Technologist with over 12 years of extensive experience in dairy research and development. Specialized in innovative product solutions and formulations that cater to evolving consumer preferences and market demands. Proven record of collaborating with cross-functional teams to bring new products from concept to market, utilizing advanced research methodologies and consumer insights.

## PROFESSIONAL EXPERIENCE

### **Innovative Dairy Corp.**

*Mar 2018 - Present*

Senior Product Development Scientist

- Designed and launched a new range of probiotic dairy products.
- Conducted market analysis to identify trends in consumer health.
- Collaborated with marketing to create promotional strategies.
- Led sensory evaluations to assess product acceptance.
- Managed project timelines and budgets for new product launches.
- Maintained compliance with food safety regulations during R&D.

### **Dairy Research Institute**

*Dec 2015 - Jan 2018*

Research Associate

- Conducted experiments on dairy fermentation processes.
- Analyzed data to optimize product formulations.
- Collaborated with academic institutions on research projects.
- Presented findings at industry conferences.
- Developed training sessions for interns on lab techniques.
- Assisted in grant writing for research funding.

## ACHIEVEMENTS

- Successfully launched 10 new products within 3 years.
- Received the Research Excellence Award in 2022.
- Increased product line revenue by 40% through innovative solutions.
