## Senior Dairy Veterinarian

San Francisco, CA • (555) 234-5678 • michael.anderson@email.com • www.michaelanderson.com

---

### SUMMARY

Dedicated Dairy Veterinarian with over 10 years of experience in veterinary medicine, specializing in the health and productivity of dairy cows. My career began in a mixed animal practice, where I developed foundational skills in both large and small animal care. Over the years, I transitioned to focus solely on dairy cattle, gaining extensive experience in herd health management and reproductive services.
