LANGUAGES

- English
- Spanish
- French

Experienced Data Operations Analyst with expertise in financial analytics, bringing over 9 years of experience in the banking sector. My analytical approach has been pivotal in driving data strategies that enhance financial performance and mitigate risks. Proficient in using advanced analytical tools, including SAS and SQL, I am skilled at extracting insights from large financial datasets to support strategic initiatives.

💼 WORK EXPERIENCE

Senior Financial Data Analyst
2020-2023

Banking Solutions Inc.

- Developed financial models to project revenue and expense trends for strategic planning.
- Conducted in-depth analysis of financial data to identify cost-saving opportunities.
- Collaborated with cross-functional teams to align data strategies with business objectives.
