Michael Anderson

DATA REPORTING ANALYST

Innovative Data Reporting Specialist with 4 years of experience in the logistics and supply chain industry. I have a passion for using data to optimize operations and improve efficiency. My ability to analyze transportation and inventory data has led to significant reductions in costs and improved service delivery times.

EXPERIENCE

DATA REPORTING ANALYST

LogiFleet Solutions

2016 - Present

- Generated reports analyzing transportation costs and delivery performance.
- Utilized Power BI for data visualization and reporting.
- Collaborated with supply chain teams to identify efficiency improvements.
- Conducted data audits to ensure accuracy in reporting.
- Presented findings to management to support operational strategies.
- Developed reporting templates that streamlined data collection processes.

DATA COORDINATOR

Supply Chain Analytics Inc.

2014 - 2016

- Assisted in the preparation of weekly logistics reports.
- Maintained databases and monitored data quality.
- Supported the development of reporting tools for logistics operations.
