Data Analyst

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Proactive Data Reporting Specialist with 3 years of experience in the energy sector. My focus is on using data analytics to enhance operational efficiency and support strategic planning. I have developed expertise in data visualization and reporting tools such as Tableau and Power BI. My analytical mindset allows me to identify trends and present insights that drive improvements in energy consumption and cost savings.

## WORK EXPERIENCE

### Data Analyst | EcoEnergy Solutions

Jan 2022 – Present

- Generated reports on energy consumption patterns to identify cost-saving opportunities.
- Utilized Tableau for data visualization and reporting.
- Collaborated with engineering teams to analyze energy efficiency initiatives.
- Supported the development of metrics to track energy savings.
- Participated in cross-departmental projects aimed at reducing energy costs.
- Presented findings to stakeholders to inform strategic decisions.

### Data Reporting Intern | Green Power Corp.

Jul 2019 – Dec 2021

- Assisted in the preparation of sustainability reports.
- Maintained databases for energy data accuracy.
- Supported senior analysts in generating reports on energy trends.
- Analyzed data to identify opportunities for efficiency improvements.
- Participated in initiatives that promoted energy conservation.
- Contributed to a project that improved data collection processes.

## SKILLS

Tableau

Data Analysis

Energy Reporting

Excel
