- English
- Spanish
- French

As an experienced Data Visualization Specialist with over 9 years in the retail industry, I specialize in converting sales data into visual insights that inform business strategies. My extensive experience with visualization tools such as Tableau and Microsoft Power BI allows me to create dashboards that provide real-time insights into sales performance, inventory levels, and customer behavior.

WORK EXPERIENCE

Data Visualization Specialist
Retail Analytics Corp.

2020-2023

- Developed dashboards that visualized real-time sales data, improving reporting efficiency by 40%.
