WORK EXPERIENCE

Municipal Debt Analyst 2020-2023

Public Finance Advisors

- Assisted municipalities in evaluating their debt capacities and financing options.
- Developed financial models to assess the impact of proposed debt issuances.
- Collaborated with public officials to align debt strategies with policy goals.
- Prepared comprehensive reports for municipal advisory boards.
- Monitored market conditions to inform clients on refinancing opportunities.
- Facilitated community workshops on public finance issues.

Financial Consultant 2019-2020

Statewide Finance Group

- Conducted financial assessments for local government entities.
- Provided strategic recommendations for optimizing public debt.
- Engaged with stakeholders to clarify financial objectives and constraints.
- Assisted in the development of public finance policies.
- Prepared presentations for city council meetings.
- Maintained databases for tracking public financing initiatives.

ACHIEVEMENTS

- Successfully advised on a \$30 million municipal bond issuance.
- Recognized for excellence in public finance consulting with a state award.
- Increased community engagement in public finance discussions by 50% through workshops.
