# MICHAEL ANDERSON

## NURSING SUPERVISOR

Accomplished Dementia Care Specialist with extensive experience in geriatric nursing and specialized training in dementia care methodologies. Expertise lies in the integration of nursing practices with innovative therapeutic approaches to improve the quality of life for individuals with dementia. Proven ability to lead comprehensive care teams, ensuring the delivery of high-quality, patient-centered care.

## **PROFESSIONAL EXPERIENCE**

### **ElderCare Nursing Home**

*Mar 2018 - Present*

Nursing Supervisor

- Supervised nursing staff in providing care to dementia patients, ensuring compliance with care standards.
- Conducted training sessions on dementia-specific nursing interventions and safety protocols.
- Coordinated patient care plans with interdisciplinary teams to enhance treatment outcomes.
- Implemented quality assurance measures to monitor and improve patient care delivery.
- Facilitated communication between families and healthcare teams regarding patient progress.
- Developed and maintained nursing documentation systems for accurate patient records.

### **Sunrise Senior Living**

*Dec 2015 - Jan 2018*

Registered Nurse - Dementia Care

- Provided direct nursing care to residents with dementia, ensuring their physical and emotional needs were met.
- Administered medications and monitored patient responses to treatment.
- Educated families on dementia care strategies and available resources.
- Participated in care planning meetings to establish individualized care goals.
- Conducted routine health assessments to track changes in patient conditions.
- Developed patient-centered care plans focusing on comfort and dignity.

## **ACHIEVEMENTS**

- Achieved a 95% satisfaction rate in resident surveys regarding care quality.
- Developed a mentorship program for new nursing staff that improved retention by 40%.
- Recognized for exemplary leadership in nursing care by the Florida Nurses Association in 2020.
