WORK EXPERIENCE

Dementia Support Specialist

2020-2023

Hope Haven Senior Services

- Provided direct care and emotional support to dementia patients in a residential setting.
- Developed individualized care plans in collaboration with families and healthcare teams.
- Facilitated group activities to enhance cognitive function and social interaction.
- Monitored patient health, reporting changes to the care team promptly.
- Educated families on dementia progression and caregiving strategies.
- Participated in community outreach programs to raise awareness about dementia.

Caregiver

2019-2020

Loving Care Agency

- Assisted dementia patients with daily living activities, ensuring comfort and safety.
- Maintained a clean and supportive living environment for patients.
- Documented patient progress and communicated with healthcare providers.
- Engaged patients in meaningful activities to promote cognitive stimulation.
- Supported families in understanding the challenges of dementia care.
- Participated in training sessions to improve caregiving techniques.

ACHIEVEMENTS

- Enhanced patient satisfaction scores by 15% through personalized care approaches.
- Recognized for outstanding service by the Illinois Caregiver Association in 2022.
- Developed a community resource directory for dementia support services.
