

MICHAEL ANDERSON

DENTAL CLINICAL INSTRUCTOR

PROFILE

Dynamic Dental Academic Instructor with a strong background in both clinical practice and education. Over 8 years of experience in teaching dental students and developing innovative learning modules that enhance student engagement and understanding. My approach is characterized by a commitment to fostering critical thinking and real-world application of dental practices.

EXPERIENCE

DENTAL CLINICAL INSTRUCTOR

Metro Dental Institute

2016 - Present

- Instructed students in clinical procedures with a focus on patient-centered care.
- Implemented digital tools for patient management and record keeping.
- Conducted assessments of student performance in clinical settings.
- Developed hands-on workshops to refine technical skills.
- Collaborated with faculty to enhance curriculum relevance.
- Led student research projects resulting in presentations at national conferences.

ADJUNCT FACULTY MEMBER

Community College of Dentistry

2014 - 2016

- Delivered lectures on dental ethics and practice management.
- Designed online course materials to enhance accessibility for students.
- Facilitated study groups to improve student understanding of complex concepts.
- Evaluated and updated course content based on student feedback.
- Assisted in accreditation processes to ensure program quality.
- Participated in community dental health initiatives, engaging students in service learning.
