# MICHAEL ANDERSON

## DENTAL CARE CONSULTANT

Compassionate and knowledgeable Dental Care Consultant with a decade of experience focused on enhancing patient care and clinical excellence. I began my career as a dental hygienist, where I developed strong clinical skills and a passion for patient education. Transitioning into consultancy, I have worked with various dental practices, helping them implement best practices for patient care, hygiene protocols, and clinical efficiency.

## PROFESSIONAL EXPERIENCE

### **CareFirst Dental Consulting**

*Mar 2018 - Present*

Dental Care Consultant

- Developed customized training programs for dental hygienists that improved patient education effectiveness by 40%.
- Conducted hygiene audits that identified compliance gaps, leading to a 30% reduction in treatment errors.
- Facilitated seminars on the importance of preventive care, increasing patient adherence to hygiene recommendations.
- Utilized patient feedback to refine service offerings and improve overall satisfaction.
- Collaborated with dental teams to enhance their approach to patient communication and education.
- Implemented new hygiene protocols that reduced infection rates by 15%.

### **Bright Smiles Dental Practice**

*Dec 2015 - Jan 2018*

Dental Hygienist

- Provided high-quality dental hygiene care to a diverse patient population.
- Educated patients on oral health, resulting in a 20% increase in preventive treatment acceptance.
- Assisted in the development of a patient recall system that improved appointment attendance by 25%.
- Maintained accurate patient records and treatment documentation, ensuring compliance with regulations.
- Participated in community outreach programs to promote oral health awareness.
- Collaborated with dentists on treatment plans to ensure comprehensive patient care.

## ACHIEVEMENTS

- Recognized for outstanding patient care with a 'Hygienist of the Year' award.
- Developed a patient feedback system that improved service ratings by 35%.
- Conducted research on hygiene practices published in a peer-reviewed dental journal.
