# MICHAEL ANDERSON

## COMMUNITY DENTAL PROGRAM DIRECTOR

Results-driven Dental Care Program Coordinator with a rich background in non-profit healthcare management, focusing on providing equitable dental services to marginalized communities. My career has been dedicated to developing programs that not only address dental needs but also integrate holistic healthcare approaches. With over 7 years of experience, I have successfully led initiatives that have significantly improved access to dental care for low-income families.

## **PROFESSIONAL EXPERIENCE**

### **Healthy Smiles Initiative**

*Mar 2018 - Present*

Community Dental Program Director

- Oversaw the implementation of dental care programs reaching over 10,000 underserved individuals annually.
- Collaborated with local non-profits to create a comprehensive referral network for health services.
- Secured \$1 million in grants to fund dental outreach and preventive services.
- Conducted community assessments to identify dental care barriers and develop targeted interventions.
- Trained and supervised a team of volunteers and dental professionals in community engagement.
- Evaluated program outcomes, leading to a 60% increase in service utilization among target populations.

### **Dental Health Outreach Program**

*Dec 2015 - Jan 2018*

Program Coordinator

- Coordinated dental screenings and educational workshops for low-income families.
- Established partnerships with schools to promote dental health education among children.
- Developed marketing materials that increased program visibility and awareness.
- Participated in grant writing efforts to secure funding for ongoing programs.
- Monitored and reported on program effectiveness to stakeholders and funders.
- Facilitated community focus groups to gather feedback and improve service delivery.

## **ACHIEVEMENTS**

- Increased access to dental care services by 50% within the first year of program implementation.
- Received the Community Service Award for outstanding contributions to public health.
- Successfully launched a dental education campaign that reached over 5,000 residents.
