## DENTAL EDUCATION PROGRAM COORDINATOR

Strategic Dental Care Program Coordinator with over 10 years of experience in academic settings, focusing on training future dental professionals on the importance of community engagement and preventive care. My role encompasses developing curricula that address contemporary issues in dental health while integrating practical experience for students.

## EXPERIENCE

### DENTAL EDUCATION PROGRAM COORDINATOR

Dental School of University XYZ

2016 - Present

- Developed and implemented a community outreach program involving dental students in local clinics.
- Designed curricula that emphasize preventive care and community service.
- Evaluated student performance and program outcomes to enhance educational quality.
- Established partnerships with local health organizations for student internships.
- Organized workshops and seminars to promote best practices in community dental health.
- Facilitated student-led projects that addressed local health disparities.

### CLINICAL INSTRUCTOR

Dental School of University ABC

2014 - 2016

- Taught courses on community dental health and preventive care to dental students.
- Supervised students during clinical rotations, ensuring high standards of care.
- Provided mentorship to students, fostering their professional development.
- Organized community health fairs that educated the public on oral hygiene.
- Collaborated with faculty to integrate community service into the curriculum.
- Presented research on dental education at national conferences, enhancing program visibility.
