EDUCATION

BACHELOR OF SCIENCE IN PUBLIC HEALTH, STATE COLLEGE

ACHIEVEMENTS

- Contributed to a 30% increase in community dental health awareness.
- Streamlined case evaluation processes, improving efficiency by 20%.
- Developed a training program that increased staff knowledge on public health standards.

Dynamic and analytical Dental Case Reviewer with 4 years of experience in the public health sector, specializing in evaluating dental case effectiveness and compliance with health regulations. I have a solid background in public health principles and a strong commitment to improving community health outcomes through effective case reviews. My experience includes collaborating with healthcare providers to assess treatment efficacy and ensure equitable access to dental care.

WORK EXPERIENCE

PUBLIC HEALTH DENTAL REVIEWER

Community Health Services

2020 - 2025

- Evaluated dental cases to ensure compliance with public health standards and regulations.
