EDUCATION

MASTER OF SCIENCE IN DENTAL HYGIENE ADMINISTRATION

ACHIEVEMENTS

- Increased compliance rates by 25% through the implementation of targeted training sessions.
- Recognized for excellence in audit performance with the 'Quality Champion' award.
- Successfully led an initiative that improved patient care documentation practices, resulting in a 20% decrease in errors.

PROFILE

With over 10 years of experience in dental clinical auditing, I have developed a robust skill set that encompasses regulatory compliance, risk management, and quality assurance. My journey in the dental industry began as a dental hygienist, where I gained firsthand insight into patient care and clinical operations. Transitioning into auditing has allowed me to utilize this knowledge to enhance the quality of care provided in dental practices.

EXPERIENCE

SENIOR DENTAL CLINICAL AUDITOR

Healthy Smiles Clinic

2016 - Present

- Led comprehensive clinical audits, ensuring adherence to local and national standards.
- Designed and implemented training programs that improved compliance awareness among staff by 35%.
- Utilized statistical analysis to measure the effectiveness of quality improvement initiatives.
- Collaborated with dental leadership to develop strategic plans for enhancing patient care quality.
- Monitored and reported on audit outcomes, providing actionable insights to management.
- Fostered a culture of compliance and continuous improvement through regular staff meetings and workshops.

DENTAL AUDITOR

Oral Health Partners

2014 - 2016

- Conducted routine audits of clinical documentation to ensure compliance with regulatory standards.
- Created auditing tools and checklists that streamlined the auditing process.
- Provided feedback to dental teams on audit findings, facilitating discussions around best practices.
- Analyzed patient outcomes to identify opportunities for clinical improvements.
- Developed and implemented corrective action plans to address audit discrepancies.
- Participated in external audits, ensuring readiness and compliance of the practice.
