Michael Anderson

DENTAL CLINICAL AUDITOR

I am an experienced Dental Clinical Auditor with a strong background in clinical operations and compliance management. Over the past 6 years, I have honed my skills in auditing dental practices, focusing on enhancing patient care and ensuring compliance with healthcare regulations. My experience includes developing audit protocols, conducting thorough evaluations, and implementing corrective actions based on audit findings.

EXPERIENCE

DENTAL CLINICAL AUDITOR

Gentle Care Dental

2016 - Present

- Executed comprehensive audits of clinical documentation and patient records.
- Partnered with dental teams to develop corrective action plans for compliance issues.
- Monitored the effectiveness of quality improvement initiatives through data analysis.
- Conducted training sessions for staff on regulatory compliance and quality standards.
- Reported audit findings to management, providing insights for operational improvements.
- Assisted in the preparation for external audits, ensuring readiness and compliance.

QUALITY ASSURANCE AUDITOR

Caring Dental Practice

2014 - 2016

- Performed audits to evaluate clinical practices against regulatory requirements.
- Developed and maintained comprehensive auditing checklists for consistency.
- Facilitated discussions with dental staff regarding audit outcomes and improvement strategies.
- Analyzed patient feedback to enhance service delivery and quality of care.
- Created reports outlining audit findings and recommendations for management.
- Collaborated with compliance teams to ensure adherence to healthcare regulations.
