# MICHAEL ANDERSON

## DENTAL CLINICAL INSTRUCTOR

Versatile Dental Clinical Instructor with a robust background in geriatric dentistry, offering over 12 years of experience in both clinical and academic settings. Accomplished in developing specialized programs that address the unique dental needs of older adults. Demonstrates proficiency in geriatric assessment and interdisciplinary collaboration to enhance patient outcomes. Adept at guiding students in understanding complex dental issues faced by the elderly population.

## PROFESSIONAL EXPERIENCE

### **Geriatric Dental Institute**

*Mar 2018 - Present*

#### Dental Clinical Instructor

- Designed and implemented a curriculum focused on geriatric dental care for dental students.
- Conducted workshops on managing common geriatric dental conditions, improving student knowledge by 30%.
- Supervised clinical practice, achieving a 90% student satisfaction rate in geriatric care.
- Collaborated with interdisciplinary teams to optimize care for elderly patients.
- Organized annual symposiums on aging and dental health, enhancing community awareness.
- Mentored students in research initiatives on aging-related dental issues.

### **Senior Care Clinic**

*Dec 2015 - Jan 2018*

#### Geriatric Dentistry Fellow

- Administered comprehensive dental care to elderly patients, focusing on comfort and accessibility.
- Developed patient education materials on oral health for seniors, increasing engagement in care.
- Implemented a pain management protocol adapted for geriatric patients, enhancing patient satisfaction.
- Trained dental staff on specialized techniques for treating elderly patients.
- Conducted outreach programs to educate families on the importance of senior dental health.
- Evaluated treatment outcomes to continually improve patient care strategies.

## ACHIEVEMENTS

- Recipient of the Geriatric Care Excellence Award (2020) for innovative practices.
- Increased student knowledge in geriatric dentistry by 35% through enhanced curriculum.
- Published articles on geriatric dental health in leading dental journals.
