# MICHAEL ANDERSON

## DENTAL OPERATIONS CONSULTANT

Innovative Dental Health Consultant with 10 years of diverse experience in both clinical and administrative roles within dental practices. My unique background allows me to bridge the gap between patient care and business operations, ensuring practices not only provide exceptional care but also thrive financially. I specialize in optimizing practice workflows, implementing technology solutions, and enhancing patient communication strategies.

## **PROFESSIONAL EXPERIENCE**

### **CareFirst Dental Group**

*Mar 2018 - Present*

Dental Operations Consultant

- Streamlined office operations, resulting in a 35% reduction in patient wait times.
- Implemented a new patient management system that improved appointment booking efficiency.
- Developed training modules for staff to enhance patient communication skills.
- Analyzed patient feedback to refine service delivery and improve satisfaction scores.
- Collaborated with dentists to optimize treatment plans based on patient data.
- Facilitated regular team meetings to encourage knowledge sharing and continuous improvement.

### **Community Dental Alliance**

*Dec 2015 - Jan 2018*

Consultant

- Designed and implemented community outreach programs that increased oral health awareness.
- Monitored compliance with health regulations across multiple dental practices.
- Conducted workshops for dental teams on the integration of technology in patient care.
- Analyzed practice performance data to identify areas for improvement.
- Provided strategic recommendations to enhance patient service delivery.
- Collaborated with healthcare providers to develop holistic patient care approaches.

## **ACHIEVEMENTS**

- Recognized for reducing operational costs by 20% through efficient resource management.
- Developed a patient education program that increased treatment acceptance by 40%.
- Received the Community Service Award for contributions to public health initiatives.
