# Michael Anderson

## DIRECTOR OF DENTAL HYGIENE PROGRAMS

With more than 15 years of experience in dental education and clinical practice, I am committed to advancing the field of dental hygiene through innovative teaching methods and community outreach. My career has been dedicated to improving patient care through education and advocacy. I have designed and implemented successful training programs that prepare dental professionals to meet the challenges of modern practice.

## EXPERIENCE

### DIRECTOR OF DENTAL HYGIENE PROGRAMS

State University Dental School

2016 - Present

- Oversaw the development and implementation of the dental hygiene curriculum.
- Led a team of educators to enhance program quality and student outcomes.
- Collaborated with community organizations to provide health education and screenings.
- Initiated research projects to advance dental hygiene practices.
- Conducted evaluations of program effectiveness and made improvements based on feedback.
- Achieved national accreditation for the dental hygiene program under my leadership.

### CLINICAL DENTAL EDUCATOR

Healthy Smiles Dental Clinic

2014 - 2016

- Provided hands-on training for dental hygiene students in clinical settings.
- Monitored student performance and provided regular feedback for improvement.
- Promoted preventive care practices among patients and students.
- Organized community outreach events to raise awareness about dental health.
- Designed educational materials for patient and student use.
- Increased patient satisfaction rates by 20% through effective education.
