

MICHAEL ANDERSON

Community Health Program Manager

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Proactive Dental Outreach Specialist with over 5 years of experience in healthcare administration and community relations. I am dedicated to enhancing oral health access in diverse populations through effective outreach strategies. My background includes managing community health programs, coordinating dental screenings, and engaging stakeholders to promote health equity. I excel in organizing events that foster community involvement and awareness of dental health issues.

WORK EXPERIENCE

Community Health Program Manager | Access to Care Initiative

Jan 2022 – Present

- Managed comprehensive outreach programs serving diverse populations.
- Coordinated dental health screenings in collaboration with local clinics.
- Engaged community leaders to promote health literacy and access to services.
- Developed outreach materials that resonated with various cultural groups.
- Organized training sessions for staff on effective community engagement.
- Monitored and reported program outcomes to stakeholders and funders.

Outreach Associate | Dental Health Network

Jul 2019 – Dec 2021

- Assisted in organizing educational events that increased awareness of oral health.
- Collaborated with healthcare providers to streamline patient referrals.
- Conducted outreach to underserved communities to promote available services.
- Created newsletters and social media content to engage community members.
- Evaluated program success through participant surveys and feedback.
- Participated in community forums to discuss dental health topics and concerns.
