### ACHIEVEMENTS

- Successfully guided practices to achieve a 50% increase in patient satisfaction ratings.
- Awarded 'Consultant of the Year' by the National Dental Association in 2020.
- Implemented a quality assurance program that reduced patient complaints by 60%.

### PROFILE

With a robust background in dental management and consulting, I have spent over 15 years optimizing dental practices for better patient outcomes and operational efficiency. My journey began in clinical roles before transitioning into practice management, where I discovered my passion for consulting. I specialize in developing strategic business plans and implementing quality improvement initiatives that enhance both patient care and practice profitability.

### EXPERIENCE
