Michael Anderson

ORTHODONTIST

Dynamic dental practitioner with a specialization in orthodontics, dedicated to transforming smiles and improving lives. With over 9 years of experience, I am skilled in various orthodontic treatments, including braces and clear aligners. I pride myself on creating personalized treatment plans that meet the unique needs of each patient while ensuring comfort and satisfaction throughout the process.

EXPERIENCE

ORTHODONTIST

Smile Again Orthodontics

2016 - Present

- Designed and implemented individualized orthodontic treatment plans for patients.
- Utilized 3D imaging and digital scanning technologies to enhance accuracy.
- Conducted regular follow-up appointments to monitor patient progress.
- Trained staff on orthodontic procedures and patient management.
- Achieved a 90% success rate in treatment outcomes.
- Participated in community events to promote orthodontic health awareness.

DENTAL RESIDENT

City Dental Hospital

2014 - 2016

- Assisted in the treatment of orthodontic patients under supervision.
- Learned to perform adjustments and fit braces for patients.
- Engaged with patients to explain treatment processes.
- Participated in case discussions and treatment planning sessions.
- Conducted patient assessments to determine orthodontic needs.
- Maintained accurate patient records to support treatment plans.
