Social Work Coordinator

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Motivated Dental Public Awareness Specialist with a diverse background in social work and public health, dedicated to improving community health through education and outreach. Over 5 years of experience in developing programs that address oral health disparities among underserved populations. Adept at building partnerships with local organizations to promote health equity and access to dental services.

WORK EXPERIENCE

Social Work Coordinator | Community Health Services

Jan 2022 – Present

- Coordinated social work initiatives focused on enhancing community dental health.
- Developed resource guides to connect families with dental care services.
- Facilitated workshops on oral health for parents and caregivers.
- Monitored client outcomes and adjusted programs based on feedback.
- Collaborated with local health providers to improve service delivery.
- Organized health fairs to provide accessible dental screenings and information.

Public Health Advocate | Nonprofit Health Advocacy Group

Jul 2019 – Dec 2021

- Advocated for policies that improve access to dental care for low-income families.
- Conducted community needs assessments to identify barriers to dental health.
- Engaged with local leaders to promote oral health initiatives.
- Developed educational materials to raise awareness of dental health issues.
- Monitored and evaluated advocacy efforts for effectiveness.
- Participated in coalitions to align health messaging across organizations.
