WORK EXPERIENCE

Maternal and Child Health Coordinator

2020-2023

Family Health Services

- Developed and implemented programs focusing on the dental health of mothers and young children.
- Coordinated training for healthcare providers on best practices in maternal dental health.
- Organized community events to promote oral health education for families.
- Utilized feedback from participants to continuously improve program effectiveness.
- Created educational materials that were distributed in community clinics and schools.
- Collaborated with local organizations to expand outreach efforts and resources available.

Oral Health Outreach Specialist

2019-2020

Healthy Families Coalition

- Conducted outreach and education initiatives targeting pregnant women and new parents.
- Facilitated workshops that provided resources on oral health for infants and toddlers.
- Collaborated with pediatricians to promote integrated health services for families.
- Assessed community needs to tailor educational programs effectively.
- Increased community awareness of dental health issues by 45% through outreach efforts.
- Established feedback mechanisms to measure program impact and participant satisfaction.

ACHIEVEMENTS

- Increased access to dental screenings for pregnant women by 30% through targeted outreach.
- Received the Healthy Families Award for excellence in community health initiatives.
- Successfully implemented a pilot program that improved oral health outcomes for children.
