

MICHAEL ANDERSON

DENTAL RADIOLOGY MANAGER

PROFILE

Results-driven Dental Radiology Specialist with a strong background in both clinical and administrative roles within dental practices. With over 10 years of experience, I have successfully integrated advanced radiographic technologies into practice, enhancing diagnostic capabilities and patient outcomes. My tenure in various settings has equipped me with the skills to manage teams, streamline operations, and ensure compliance with regulatory standards.

EXPERIENCE

DENTAL RADIOLOGY MANAGER

Healthy Smiles Dental Group

2016 - Present

- Oversaw the radiology department, managing a team of 5 technicians and optimizing workflow processes.
- Developed and implemented training programs for new staff, enhancing their proficiency in radiographic techniques.
- Led initiatives to upgrade imaging equipment, resulting in a 50% increase in diagnostic accuracy.
- Conducted regular audits of radiology practices to ensure compliance with health and safety regulations.
- Collaborated with dental specialists to integrate comprehensive radiology services into patient care.
- Improved patient satisfaction scores related to imaging services by 30% through enhanced service delivery.

LEAD RADIOLOGY TECHNICIAN

City Dental Clinic

2014 - 2016

- Executed complex radiographic procedures, ensuring high-quality images for diagnostic purposes.
- Implemented a new digital record-keeping system that reduced errors in patient data by 20%.
- Trained dental interns on radiographic protocols and patient management.
- Conducted research on emerging imaging technologies to keep the clinic at the forefront of dental care.
- Participated in community outreach programs to educate the public about dental health and imaging.
- Streamlined patient flow during imaging sessions, decreasing wait times by 15%.
