Michael Anderson

ORAL SURGERY RADIOLOGY SPECIALIST

Compassionate Dental Radiology Specialist with over 7 years of experience in oral surgery and maxillofacial imaging. My career has been dedicated to supporting oral surgeons with precise imaging for complex surgical procedures. I possess a keen understanding of the unique requirements of surgical imaging and the ability to communicate effectively with both surgical teams and patients.

EXPERIENCE

ORAL SURGERY RADIOLOGY SPECIALIST

Expert Oral Surgeons LLC

2016 - Present

- Provided high-quality imaging support for oral surgical procedures, ensuring accurate diagnosis and planning.
- Collaborated with oral surgeons to develop tailored imaging protocols for complex cases.
- Educated patients about the imaging process and its role in their surgical care.
- Maintained and calibrated imaging equipment to ensure optimal performance and safety.
- Trained surgical staff on imaging protocols and best practices.
- Monitored patient responses during imaging to ensure comfort and safety.

RADIOLOGY TECHNICIAN

City Oral Surgery Center

2014 - 2016

- Assisted in the preparation and execution of imaging for oral surgery cases.
- Worked closely with the surgical team to ensure timely imaging services.
- Maintained meticulous records of imaging results for surgical evaluations.
- Engaged with patients to prepare them for imaging, reducing anxiety.
- Implemented infection control protocols in the imaging department.
- Achieved a 20% increase in patient satisfaction scores related to imaging services.
