

MICHAEL ANDERSON

Cosmetic Dental Radiology Technician

Innovative Dental Radiology Specialist with more than 5 years of experience in cosmetic dentistry imaging. My career has been dedicated to enhancing patient experiences through state-of-the-art imaging techniques that facilitate aesthetic evaluations and treatment planning. I excel in using 3D imaging and digital radiography to provide comprehensive assessments of patients' dental needs.

WORK EXPERIENCE

Cosmetic Dental Radiology Technician

2020-2023

Dream Smiles Cosmetic Dentistry

- Utilized 3D imaging technology to provide detailed assessments for cosmetic procedures.
- Collaborated with cosmetic dentists to create customized treatment plans based on imaging results.
- Educated patients about the benefits of advanced imaging in cosmetic dentistry.
- Maintained imaging equipment to ensure high-quality results and compliance with safety standards.
- Streamlined patient intake processes, improving workflow efficiency.
- Conducted follow-up consultations to discuss imaging results and treatment options.

Dental Radiology Assistant

2019-2020

Smile Bright Dental

- Assisted in the execution of dental radiographs with a focus on cosmetic evaluations.
- Managed patient records to ensure accurate documentation of imaging results.
- Engaged patients in discussions about imaging techniques and their role in aesthetic dentistry.
- Participated in community events to promote cosmetic dental health awareness.
- Improved imaging appointment adherence through effective patient reminders.
- Achieved a 10% increase in patient referrals for cosmetic procedures.

ACHIEVEMENTS

- Played a key role in launching a new cosmetic imaging service that attracted 25% more patients.
- Received commendation for excellent patient service in cosmetic evaluations.
- Contributed to a 15% increase in treatment acceptance rates through effective communication.
